IMPACT

i.   Academic Session 2022-23
   a.   Interventions schools: 114 in 4 districts of Western Rajasthan
   b.   Total number of student beneficiaries: 60,000+

HOW WE DO IT:

1. YOUTH VOLUNTEERISM - Leveraging collective power of Youth,
   i.   Engaging them in volunteering & outreach activities
   ii. Volunteers visit government schools and rural areas leading interventions towards holistic development of children

2. HARNESSING TECHNOLOGY TOOLS - To connect with schools and students
   i.   Make teaching more interactive and engaging
   ii.   Installing Learning boxes in schools with curriculum content of class IV-XII
   iii. Digital assessments in schools using tablets
   iv.   Reaching out to students in remote areas
   v.   Covering larger geographical area
   vi.   Scale up initiatives at a faster pace
   vii. Collaborate with any volunteer anywhere in the world
   viii. Implemented a novel Prerak-Mitra initiative wherein volunteers from the best academic institutions mentor, coach, guide and handhold individual students of government schools

2. PROGRAM UPDATES 2022-23:

As in previous years, in 2022-23 IN-DEED continued to organise and facilitate live classes and extra classes, conducted online assessments, provided access to explanatory audio-visual content on curriculum subjects, all the while promoting digital empowerment and 21st century skills training for beneficiary students.

2.1 MOU WITH RAJASTHAN COUNCIL OF SCHOOL EDUCATION

In August 2022, IN-DEED Foundation signed a 3-year MoU with Rajasthan Council of School Education, Government of Rajasthan, for implementing improved education programs in Barmer, Jaisalmer, Jodhpur and Pali districts impacting 1,00,000+ government school students. In-depth programs will be conducted by IN-DEED in 100 government model schools in these districts to improve **understanding of curriculum subjects impacting learning outcomes, improve academic performance and enhance personality** by making learning interesting, meaningful and effective, and, providing **digital and valuable 21st century skills** to government school students in **4 districts i.e. Barmer, Jaisalmer, Jodhpur and Pali**.

Following programs were implemented for Government school students in 4 districts of Rajasthan – i.e. Barmer, Jaisalmer, Jodhpur and Pali:

- Free access to **BYJUs curriculum content - class IV to XII**:
  - **One-on-one learning mode** – accessible on individual smartphones
  - **One-to-many learning mode** – accessible through Learning Boxes installed at schools
- In-depth programs for students of **100 model schools i.e. Swami Vivekanand Govt. Model Schools and Mahatma Gandhi (English Medium) Schools**
  - **BYJUs curriculum content** –Learning Boxes in 50 schools
  - **Online classes, comprehensive assessments and training** with IN-DEED's AdvancED PLATform solution
  - **Prerak-Mitra (Friend IN-DEED) program** – where undergraduate & graduate students from some of the best institutions are helping to individually train, tutor, motivate, guide and mentor 200 students (*2 from each of the 100 model schools*).

3.2 MEETINGS WITH STAKEHOLDERS

Beginning in September 2022, IN-DEED teams visited and met with principals and teachers of shortlisted Mahatma Gandhi and Swami Vivekananda models schools in the 4 target districts of Western Rajasthan. The school authorities were duly informed of the MoU signed by IN-DEED Foundation with the Rajasthan Council of School Education. Program details were shared and cooperation of the school leaders was sought to ensure successful implementation of the program.

IN-DEED teams regularly meet with District Education Officials to apprise them of progress on the ground and request their support for successful implementation of activities and programs at model government schools in their district.

3.3 BYJU'S INDIVIDUAL LICENCES

To provide quality education and help students make up for learning loss due to covid enforced school closures, IN-DEED Foundation has partnered with BYJU'S for rolling out their Education for All (EFA) initiative in the state of Rajasthan. Through this intervention students from class IV to XII will be provided access to the best educational content in Hindi and English, which will help them understand curriculum subjects, grasp difficult concepts, clear doubts and perform well in school. Beneficiary students are provided free access to BYJUs education app for 3 years, starting this academic session.
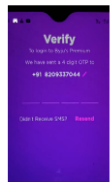

50,000 students have been provided free access to the BYJUs app in Academic session 2022-23.
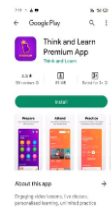

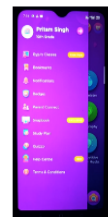

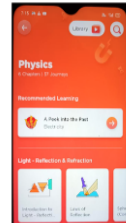

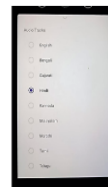

3.4 LEARNING BOX @ SCHOOLS

Learning Boxes are used in one-to-many learning mode for classroom learning. The hardware is set up with a Smart TV or any television with HDMI port, form where the curriculum audio-video content is relayed on the TV screen or monitor.

Learning boxes were installed in 48 model schools having smart/ LED TVs (*with HDMI port*) and Classes conducted in these schools in consultation with school principals and subject teachers.

3.5 DIGITAL ASSESSMENT

IN-DEED Foundation has developed an Ed-tech solution called PLATform (Personalized Learning, Assessment and Training). Using this, the Foundation is able to conduct regular and timely assessments of individual students through tablets available with IN-DEED. Assessments are conducted in multiple-choice question format, with students being able to instantly check their test performance, identify mistakes made and the correct for those questions, as well as compare scores with their classmates.

Student assessments (*digitally on tablets and physically using pen-paper*) have been conducted for 3,500+ students in 88 schools.

3.6 CODING, IOT & ROBOTICS CLASSES

In a novel initiative to equip government school students with 21st century skills, IN-DEED has started Coding classes for 60+ students of grade VII & IX from Mahatma Gandhi Govt. Senior Secondary School Pabupura, Jodhpur.

Training topics - Grade VII:
- IoT & Robotics using C++
- Platform: Arduino IDE, Tinker CAD, Lets TINKER, Vexcode

Training topics - Grade IX:
- Game Development using Python
- Platform: ML for kids, Jupyter notebook, Lets TINKER

Based on the success of pilot intervention, in sustaining interest and meeting learning outcomes, the program will be scaled up to cover several more schools from next academic session.

3.7 MOTIVATION AND INTERACTION SESSIONS

Motivation and Interaction session with Capt. G R Choudhary was organised by IN-DEED at a rural government school in Charwas village, Sojat tehsil, Pali district, Rajasthan. Capt. Choudhary a 1971 war veteran is a TEDx and JOSH Talks speaker. A career in the Army, Air Force and Police services is a cherished dream for millions of government school students, particularly so in rural India. This is why interaction with an Army Officer, one who himself comes from a rural and government school background, is a huge motivation for senior school boys and girls.

Volunteers from various higher education institutions also conducted career counselling and capacity building sessions.

3.8 *TAABAR* EDUTAINMENT FAIR

Taabar Fair 2023 organized by In-Deed Foundation on 5ᵗʰ of Feb. It is first and only edutainment fair, organized for students by students (IN-DEED volunteers) - specially for government school students to participate and learn through the activities.

Along with games and sports, lot of interactive and learning activities were organised during the event, such as Aero-modelling Show, Robotics Demo, Mathematics Lab, Doodling, Wall Painting, Mosaic, Comic & Wall Art, and a Fashion Show.
2,000+ students and teachers participated in the fair.

3.9 INTERSCHOOL CURRICULUM SUBJECT ASSESSMENT

In a bid to foster healthy competition to help improve grades and academic performance of students, the first Interschool Curriculum Subject Assessment (Class X Science) for government school students was conducted by IN-DEED Foundation in Jodhpur on 04 December 2022.

47 students including 11 girls appeared for the test. IN-DEED plans to organise assessments & extra classes on Sundays and Public Holidays to help students improve understanding of curriculum topics, clear doubts and perform well in exams.

4. OUTCOMES:

4.1. CLASS X RESULTS 2023

The hard work & dedication of students, teachers, parents and IN-DEED Foundation team members paid off.

RESULT:
- 90.4% pass percentage (2784 out of 3080 students)
- 1071 (34.77%) students secure Ist Division

Data from 56 Govt schools in Barmer, Jaisalmer, Jodhpur & Pali

4.2. INTERVENTION ACHIEVEMENTS - INDICATORS

S.No	Metrics & Assessment Parameters	ACHIEVED
1	Number of schools covered	114
2	Number of government school students provided free access to BYJUs app	50,000+
3	Number of students who took Online Classes through Learning Box installed in government schools	7,000+
4	Number of students participating in Digital Assessments	3,500+
5	Number of individual students provided mentors under the *Prerak-Mitra* program	100
6	Number of students who participated in Edutainment fair *Taabar-*2023	2,000+
7	Number of students participating in digital empowerment and coding classes	60
8	Total number of student beneficiaries of various programs and interventions of IN-DEED Foundation in Academic Session 2022-23	60,000+

4.3. IMPACT & INSIGHTS

The actual number of beneficiaries impacted in 2022-23 is higher than the all the previous years of work done by the Foundation. This has been made possible due to three reasons:

- IN-DEED Foundation became a member of Rajasthan Education Initiative of the Government of Rajasthan
- Digitalization of initiatives - partnership with various Edu-Tech companies like BYJUs, TeachMint and KlassRoom helped to expand reach of education and digital skills programs
- Expansion of Team - more full-time staff were added to IN-DEED field team helping increase the number of schools and students covered through various field interventions

Following have been the significant outcomes from Academic Session 2022-23:

- Digital Assessments: PLATform (Personalised Learning, Assessment and Training) Software Solution to conduct assessments on tablets
- Learning Box in schools: students from 48 schools were able to access online lectures
- BYJUs app access: 50,000+ students were provided free access to the best quality curriculum content through partnership with BYJUs
- Continued improvement in academic performance at individual and school level
- Digital empowerment of beneficiary students
- Over 60,000 students from 100+ schools benefitted from the program
- Overwhelming positive response to programs from all stakeholders

5. SUSTAINABILITY:

5.1 PLATFORM SOFTWARE

The development of Ed-tech Software solution PLATform by IN-DEED has helped immensely in taking quality education to government school and rural students. PLATform is used for conducting digital assessments on tablets which students find more engaging and preferable compared to paper based tests. Since assessment results are instantly available, students can view mistakes they made and compare test scores with their classmates.

Overall, the freely available PLATform software and app will help engage students in a meaningful way with significant long-term potential in provision of quality education to large number of students. PLATform App is under development and shall be released in current academic session.

5.2 RAJASTHAN EDUCATION INITIATIVE (REI)

IN-DEED Foundation has become a member of the Rajasthan Education Initiative, a select group of non-profit and ed-tech organisations working to improve the quality of education in government schools of Rajasthan.

IN-DEED signed a 3-year MoU with Rajasthan Council of School Education in August 2022, for conducting quality education programs in 100 government schools from 4 districts, viz. Pali, Jodhpur, Barmer and Jaisalmer of Western Rajasthan.

5.3 PARTNERSHIPS

To achieve its objectives, IN-DEED Foundation regularly engages with like-minded corporates and Ed-tech companies.

Some of the corporates and Ed-tech companies IN-DEED has partnered with in 2022-23 are Kajaria Ceramics Ltd., Sidwal Refrigeration Industries Pvt. Ltd., Thriwe Consulting Pvt. Ltd., Globiva Services Pvt. Ltd., BYJUs, TeachMint, KlassRoom and EduMEasy.

5.4 STUDENT VOLUNTEERISM

Since its inception IN-DEED has been engaging youth volunteers, mostly students from premier academic institutions of India. In 2022-23 volunteers from IIT Jodhpur, NLU Shimla, RTU Kota, NIFT Jodhpur and NIFT Rae Bareli helped implement several programs in schools as well as the Taabar edutainment fair.

बायजूस और इन-डीड फाउंडेशन ने एक लाख बच्चों को मेधावी बनाने के लिए हाथ मिलाया

बेंगलुरु, एजेंसी। देशभर में सुख सुविधाओं से वंचित गरीब परिवार के बच्चों को गुणवत्तापूर्ण शिक्षा और डिजिटल लर्निंग के समान अवसर लगातार प्रदान करने के लिए बायजूस एजुकेशन फॉर ऑल ने पश्चिमी राजस्थान में शिक्षा के क्षेत्र में सक्रिय ट्रस्ट, इन-डीड फाउंडेशन से साझेदारी की है। इस साझेदारी का लक्ष्य अगले तीन वर्षों में राजस्थान के एक लाख से ज्यादा बच्चों की जिंदगी पर सकारात्मक प्रभाव डालना है। पाली और जोधपुर में इसकी शुरुआत हो चुकी है। 2021-22 के सेशन में सरकारी

स्कूलों के बच्चों को 3000 से ज्यादा लाइसेंस बांटे गए। चरणबद्ध रूप से आरम्भ की गई इस पहल का उद्देश्य 2025 तक चार जिलों में 1 लाख से ज्यादा बच्चों पर प्रभावी असर डालना है।

बायजूस में वीपी-सोशल इनिशिएटिव्स, मानसी कलसीवाल ने इस साझेदारी के बारे में कहा कि बायजूस में हम डिजिटल विभाजन की खाई को पाटने और शिक्षा को हर बच्चे तक पहुंचाने की कोशिश के लिए प्रतिबद्ध है। शिक्षा सभी बच्चों तक पहुंचाने के लिए किसी तरह का भेदभाव नहीं किया जाएगा। इसमें न तो किसी बच्चे की सामाजिक और आर्थिक पृष्ठभूमि देखी जाएगी, न हालात देखे जाएंगे। किसी तरह का लैंगिक भेदभाव भी नहीं होगा। इन-डीड फाउंडेशन के चेयरमैन विक्रम राजोला ने कहा कि इन-डीड

फाउंडेशन का लक्ष्य गाँव और सरकारी स्कूलों में पढ़ने वाले बच्चों को शिक्षित कर उनकी जिंदगी बेहतर बनाना है, जिससे भविष्य में वह अपने स्कूल, कॉलेज और प्रोफेशनल करियर में सोच-समझकर फैसले ले सकें। यह पढ़ाने के क्षेत्र से बच्चों को ज्यादा से ज्यादा जोड़कर और पढ़ाई को दिलचस्प बनाकर किया जा रहा है, जहाँ वॉलिंटयर्स बच्चों को मुश्किल विषय समझाने के लिए मौजूद रहते हैं और बच्चों को तकनीकी मदद प्रदान करते हैं, जिससे उनकी परफॉर्मेंस में सुधार आता है।
